National Night Out - Chula Vista PD

Warning: External Email

Hi Ernie, Sarah,

Thank you for giving us an opportunity to represent Ring at Chula Vista's NNO. We would be honored to have a presence there.

Although we won't be able to send Ring staff to man a booth, we would be more than happy to support in other ways by sending brochures, flyers, donation ring doorbell for raffle giveaway etc.

Please fill out the form <u>here</u> and we will ship you the materials. Please email me if you'd like me to ship the donation device to a different address.

Thank you,

Angela Kang

Hi Ernie, Sarah,
Very nice speaking with you today! Below is a recap of what we spoke on and the few action items I need.
1. 45 min Stakeholders Webinar: This is me "training the trainers" to get the stakeholders to understand the Ring Portal so they can determine the best way to roll out the tool within their units. We suggest that 1-reps from each group below attend this webinar as they will be the go-to person if anyone within their units have questions. Can you please suggest a few dates/times within the next week?
a) Community Outreach: Community Service Officer/Community resource officer, those who attend HOA neighborhood watch meetings
b) PIO/Social Media Committee
c) Investigations/detectives
d) Crime analysts

On the day of the webinar, we will push out an in app welcome message letting users in your area know that CVPD has joined Portal. Attached an example for your reference.

e) Road Patrol Officers

2. 45-60 min In person Training: After the stakeholders webinar, I will go out in person to CVPD ~2 weeks later to train the rest of the teams. Can you please suggest a few dates/times 2 weeks after the stakeholder webinar takes place?

3. Portal Set	u	0
---------------	---	---

a) Law Enforcement User List: Can you please fill out the attached spreadsheet for everyone that should have access to Portal and send to me before the in person training?
b) Beats Map: If you decide that assigning each user to a beat/assigned area would be appropriate, please send over a beats map (Shapefile, ESRI file) so that we can create them for your Portal. If you don't see the need at this time, we can just assign each user to the entire jurisdiction by default and they will receive email alerts whenever a "Neighbor" posts anything in the crime category.
c) Browser Compatibility: Reminder to use <u>Chrome</u> or Firefox.
Please reach out if you have any questions.

Hi Ernie,

Great speaking with you as well. The Tuesday July 16th at 8am would work for me to have a second webinar. Noted this will be with mostly investigators. I will stick to the 30 min max time.

Thank you,

Angela,

It was great speaking to you. I made one mistake with the second date, its actually Tuesday, July 16 at 8 am. This will be a meeting with most investigators, so I believe it will be beneficial to keep the normal webinar information. Let me know if you are able to complete webinar on 7/16.

Hello Angela,

Yes we plan to send out information via the major social sites to inform citizens about CVPD's partnership with Ring. What time will you be down in Chula Vista? Also, I received the items you sent, thank you for that. Since only citizens will be eligible for the items you sent, CVPD employees are asking if there is an opportunity for them to purchase Ring products at a discounted price? Let me know if you have any questions.

Hi Ernie,

Thank you for expressing interest in doing a press release to announce Chula Vista PD's partnership with Ring. All press release materials will need to be approved by our Ring PR team prior to publishing so please submit all your drafts to Media@ring.com. I have copied that email here.

First announcement item to note is the In-App message that Ring will send out as a courtesy message to users in your jurisdiction so that they are aware that CVPD will join the conversation. Please confirm the attached example is approved. (It will be updated to state your agency name)

Beyond the In-App message, I have attached additional press release materials you could use.

- Press Release Template: Template with standard messaging for you to update and send as a draft to Media@ring.com so our PR team can review and approve before your team distributes via local press list, Dept. website, social media pages & any other preferred channels.
- Sample Social Media Posts: Sample content for posting the initial announcement via Facebook, Twitter, Nextdoor & any other social channels in tandem with the press release.
- Talking Points & Reactive Q&A: Basic talking points and answers to commonly asked questions for agency representatives to use when speaking about the Neighbors app and our partnership with the press/public.
- Neighbors App Logo & Imagery: High-res versions of the Neighbors app logo and other contextual images to incorporate with PR materials as needed.

The Neighbors App download link and simple text info below should be included in the announcement so that residents can download the app:

Download Link: http://download.ring.com/chulavista

Simple Text Info: Or, simply text 'chulavistaca' to 555888 from your smartphone. (not case sensitive)

Let us know if you have any questions.

Hi Ernie,

I will see you tomorrow for the below sessions. I'd like to get there earlier to set up so I will be there around 9am if that's okay.

• Session #1: 10-11am

• Session #2: 11:30-12:30pm

Can you please reconfirm below is the correct address and that there is parking available? I will ask for you when I arrive at the front desk.

315 4th Ave Chula Vista, CA 91910

Also, are you and Sarah available for lunch (or coffee break if time is tight for you) after the sessions? I'd like to take you out if you're free. Feel free to invite others if you'd like.

e) Road Patrol Officers
On the day of the webinar, we will push out an in app welcome message letting users in your area know that CVPD has joined Portal. Attached an example for your reference.
2. 45-60 min In person Training: After the stakeholders webinar, I will go out in person to CVPD ~2 weeks later to train the rest of the teams. Can you please suggest a few dates/times 2 weeks after the stakeholder webinar takes place?
3. Portal Setup
a) Law Enforcement User List: Can you please fill out the attached spreadsheet for everyone that should have access to Portal and send to me before the in person training?
b) Beats Map: If you decide that assigning each user to a beat/assigned area would be appropriate, please send over a beats map (Shapefile, ESRI file) so that we can create them for your Portal. If you don't see the need at this time, we can just assign each user to the entire jurisdiction by default and they will receive email alerts whenever a "Neighbor" posts anything in the crime category.
c) Browser Compatibility: Reminder to use <u>Chrome</u> or Firefox.
Please reach out if you have any questions.

Hi Ernie,

Thank you for expressing interest in doing a press release to announce Chula Vista PD's partnership with Ring. All press release materials will need to be approved by our Ring PR team prior to publishing so please submit all your drafts to Media@ring.com. I have copied that email here.

First announcement item to note is the In-App message that Ring will send out as a courtesy message to users in your jurisdiction so that they are aware that CVPD will join the conversation. Please confirm the attached example is approved. (It will be updated to state your agency name)

Beyond the In-App message, I have attached additional press release materials you could use.

- Press Release Template: Template with standard messaging for you to update and send as a draft to Media@ring.com so our PR team can review and approve before your team distributes via local press list, Dept. website, social media pages & any other preferred channels.
- Sample Social Media Posts: Sample content for posting the initial announcement via Facebook, Twitter, Nextdoor & any other social channels in tandem with the press release.
- Talking Points & Reactive Q&A: Basic talking points and answers to commonly asked questions for agency representatives to use when speaking about the Neighbors app and our partnership with the press/public.
- Neighbors App Logo & Imagery: High-res versions of the Neighbors app logo and other contextual images to incorporate with PR materials as needed.

The Neighbors App download link and simple text info below should be included in the announcement so that residents can download the app:

Download Link: http://download.ring.com/chulavista

Simple Text Info: Or, simply text 'chulavistaca' to 555888 from your smartphone. (not case sensitive)

Let us know if you have any questions.

Thank you,

Subject: Ring going live 7/30.

We will go live with Ring today Tuesday, 7/30. I have attached a reference sheet provided by Ring. You all should have received an email over the weekend to join the Ring portal. Only caveat is remember to use Internet Explorer Dev to run the program. Our awesome IT department is confident Dev will work. Bob is going to send everyone a cheat sheet on how to use Dev without making it your default browser. The Ring reference sheet also has a discount listed so we as employees can purchase Ring products. Hold off on that, waiting for approval from command staff to use the discount.

Hello,

Thank you for joining the Ring training last week. For those of you who may have missed the training, please check out the Portal Resource link below to guide you along how to submit a video request and post to the Neighbors feed.

Below are some tips to get you started on Portal.

Create an Account - Everyone on this email should have received an invitation email.

*Please use Chrome or Firefox. Internet Explorer is not compatible.

- 1. Check your inbox for an invitation email from no-reply@ring.com
- 2. Click the Join Portal button
- 3. Follow the prompts to create your account
- 4. Bookmark https://nw.ring.com/ for quick, easy access to Neighbors Portal

*If you would like to receive email notifications whenever a resident posts a crime, you can assign yourself to the "Assigned Area" of the jurisdiction on your Profile settings.

References

1. <u>Portal Resource Center</u> - For instructions on submitting video requests and legal guidelines around submitting preservation request/subpoena/search warrant.

Law Enforcement Discount on Ring Devices

Get \$50 off* (per device) on our doorbells, security cameras, and alarm system when you use discount code NBCVPD on Ring.com and check out using your government email address.

*Discount excludes the \$99 Video Doorbell Classic and is not applicable to bundles or accessories.

Ask Your Community to Join Neighbors. Portal grows in value with each resident that downloads the Neighbors app. Neighbors is a free app that anyone can download and use, whether they own a home surveillance system or not. They can download the app directly at https://download.ring.com/chulavista or by texting "chulavistaca" to 555888.

Lastly if you have a free moment, please click <u>here</u> to take a quick 2 minute survey on last week's training. Please let me know if you have any questions at all and feel free to reach out directly if you need anything!

CVPD MOU

Hello,

We have spoken before when the portal first came to our attention, I was on the conference call and video conference with Lt. Martin and Sgt. Giaime.

I am contacting you because I presented the portal to our investigators today as an "FYI we will have this soon" presentation. But now they are all asking for access to it for their current cases. Is there any way to get at least one account (mine) going to I can assist in the investigations that are currently time sensitive. For example, there was a reported sexual assault yesterday and the officer noticed that the neighbor has a ring doorbell. She wanted to know if I can at least message the owner today to obtain any video. Please let me know, we understand there is a training process for users, I am willing to go through a training and do a training on Ring's behalf, or to be the only one with access for a little while.

Please let me know!

Thank you.

Hello,

I am emailing because I have been asked by a few people when/if we are going to get assigned logins for the ring portal. I am unsure where we are in the process because I have been out of the loop. I was hoping you could shed some light on a timeline or who here at the agency you've been speaking with so I can touch base with them? I think because at the beginning I was included in the conversation some of our detectives thought I was the ring representative for the pd. I was hoping to get them some answers though, any help would be greatly appreciated! Thank you! :)

Hello,

I am emailing because I have been asked by a few people when/if we are going to get assigned logins for the ring portal. I am unsure where we are in the process because I have been out of the loop. I was hoping you could shed some light on a timeline or who here at the agency you've been speaking with so I can touch base with them? I think because at the beginning I was included in the conversation some of our detectives thought I was the ring representative for the pd. I was hoping to get them some answers though, any help would be greatly appreciated! Thank you!:)

Ring Portal for Coronado PD-volunteer inquiry

Hello,

I have received a couple phone calls from a man named RB Smith, he's been calling to inquire about getting Coronado PD access to the Ring Neighborhoods Portal. He was asked by Mark Langlais (Investigations Supervisor with Coronado PD) to gather information regarding obtaining the portal for Coronado PD. Smith said he is a senior volunteer supervisor assigned to investigations. I have given him your email addresses because he was insistent on asking for your phone numbers but I did not want to give that out. Please contact him at your earliest convenience.

RE: Ring Portal for Coronado PD-volunteer inquiry

Hello,

I apologize that you were already contacted by RB Smith, I emailed him and about 1 minute later he sent out that long email to you. He even responded to me to say "I sent Ring an extensive email prior to seeing this. Hopefully, the questions in the email can help us move forward"

Would you like me to let him know specifically that you cannot respond to a .edu email? The way I said it to him was that you needed to speak with sworn personnel directly.

Thank you Sharyl. LE Portal is for the exclusive use of law enforcement personnel. I'm unable to contact Mr. Smith at a .edu email account. Please feel free to provide my phone number or email address to have him.or.Mr. Langlais contact me directly—Once-vetted, I would be happy to provide details of the program.

Thank you for your support and assistance.

Hi Sarah,

Please see attached digital copy of the co-branded copy for your social media page. Can you please let me know after it's been posted to your FB page? Our PR team keeps track of all of these posts in our social media log. Also, would you like us to print and send you hard copies so that you and whomever goes out to the neighborhood watch meetings can have something physical to hand out? Let me know if that will be helpful and I can send you 100 copies to start.

Hi Sarah, Ernie,

I forgot to send this through to you when I sent you the donation devices. Can you please review and confirm your acceptance of the following terms by hitting reply to this email and stating "I Accept":

- 1.
- 2. You will provide the donated devices to members
- of the community. You will ensure that the donated devices are not provided to employees of your
- 4. organization or a member of an organization's immediate family, and represent and warrant that acceptance of that donation complies with state and local law and your organization's rules.
- 5.
- 6.
- 7. You will not impose any requirements or restrictions on any recipient's use of the donated
- 8. device. For example, you may not require (a) that recipient provide recordings captured by the donated devices to anyone (including law enforcement) or (b) that recipients participate in a camera registration or similar program as a condition of receiving
- 9. the donated device or otherwise.
- 10.
- 11.
- 12. You will not use or store any personally identifiable information of the recipient of a

Tech Tips to Keep Your Ring Account Safe

Warning: External Email

×

Keep your home protected and your Ring account too.

We may be a neighborhood security company, but to us, your online security is just as important. Here are some best practices to help your Ring account stay secure.

Enable two-factor authentication.

To add an extra layer of security, enable two-factor authorization in the Ring app, which helps secures your account with a text verification code to your mobile phone, in addition to your password, each time you log in.

Get Started

Shared Users, not passwords.

You should never provide your login information to others. If you want to share access to your Ring devices with others, simply add them as a Shared User from the Device Dashboard.

Best practices for passwords.

Use letters, numbers and symbols.

To create a strong password, use words you won't find in the dictionary, alternating numbers, letters – both upper and lowercase – and unique symbols.

Never recycle old passwords.

Make a habit of using different passwords for all your applications and profiles. That way, if one account is compromised, your other accounts are still safe.

Change your passwords often.

It's recommended to change your password every 6 months or less. If you don't remember the last time you changed your Ring login credentials, it's probably time.

Learn More

Ring understands what a big decision it is to pick a home security product, and we'll continue to introduce additional security features to help keep your Ring account and devices secure.

White ford escape stolen in sklar milenia homes.

July 27, 2019

If you live in the skylar/ boulevard area, please be cautious. Our car was stolen late last night / early morning from out of our drive way. If you happen to see a white ford escape with the license plate of 7GPS037. Call the police ASAP. Police have been notified. Thank you
